Page de Connexion

A hand-drawn sketch of a mobile phone screen displaying a login page. The phone has a black outline with a small circle for the front camera and a horizontal slot for the earpiece at the top. The screen shows a status bar at the top with a Wi-Fi icon, signal strength bars, a battery icon, and the time 13:44. Below the status bar, there are two input fields: the first is labeled "Username or email" and the second is labeled "Password". Below these fields is a yellow rectangular button with the text "Login". At the bottom of the form, there are two links: "Forgot Password?" on the left and "Sign up" on the right. The phone has a horizontal slot for the home button at the bottom.

New Task

The image shows a mobile application interface for a 'Task Manager'. At the top, there is a status bar with a Wi-Fi icon, signal strength bars, a battery icon, and the time '13:44'. Below this is a header bar with a hamburger menu icon on the left, the text 'Task Manager' in the center, and a vertical ellipsis icon on the right. The main content area contains a form for creating a new task. The form starts with the text 'New task : Student' followed by a text input field. Below this are two rows, each with a label ('Date :' and 'Due to :'), a date input field containing ' / /', and a calendar icon. The next row is labeled 'Subject :' and has a text input field containing the word 'Subject'. Below that is a row labeled 'Description :' with a large text area containing the letter 'I'. At the bottom of the form are two buttons: 'Cancel' on the left and 'Add' on the right. The entire interface is framed by a thick black border representing the phone's screen.
